RULES

Recreation Division

Teams can complete any of the weekly challenges as many times as they'd like. Send in your photos to unified@asaa.ca and show us how much fun you can have with this challenge *Note there will be no winners for the Recreation division*

Competitive Division

1. **Compliance:** Participants must adhere to all guidelines and restrictions set forth by relevant authorities, including AHS, GoA, and their School Jurisdiction.
2. **Location & Dates:** Teams are not required to be physically present at their school to participate in the competition. 4 weeks will be given to complete 3 weeks of challenges; this is to accommodate any conflicts with other commitments.
3. **Team Composition:** Each Unified team consists of one athlete (a student with an intellectual disability) and one partner (a student without an intellectual disability).
4. **Multiple Attempts:** Teams have the option to repeat challenges in pursuit of achieving their highest possible score. For the highest scoring attempt, teams must submit a photo through the provided Google Form, showcasing the entire area of play and the participating athlete.
5. **Photo Submission:** All challenge photos must be submitted via the designated Google Form. Submitted photos may be utilized in publications by ASAA or Special Olympics Alberta. Any requests for exemptions from this policy should be directed to unified@asaa.ca.
6. **School Entries:** Schools are permitted to enter multiple teams into the competition. Teams must compete and submit scores for all 3 weeks to be eligible for the prize.
7. **Team Eligibility:** All team members must be enrolled in the same school and be in grades 9-12.
8. **Timing:** Drills will be timed by designated volunteers or teachers.
9. **Prize Allocation:** The school with the highest overall point total will win a maximum of one floor curl set. Additionally, the team with the highest number of points, excluding teams from the winning school, will also win a maximum of one floor curl set for their school.
10. **Tie Resolution:** In the event of a tie in either the school or team prize, the school/team with the most points accumulated from weeks one and two (excluding week 3) will be declared the winner.

EXAMPLE

Schools Participating: School A, School B, School C

Teams Participating:

- **School A:**
 - Team 1: Athlete A1 (with intellectual disability) + Partner A1 (without intellectual disability)
 - Team 2: Athlete A2 + Partner A2
 - Team 3: Athlete A3 + Partner A3
- **School B:**
 - Team 1: Athlete B1 + Partner B1
 - Team 2: Athlete B2 + Partner B2
- **School C:**
 - Team 1: Athlete C1 + Partner C1

Score Submissions:

- **School A Total:**
 - Team 1 Total Points: 45
 - Team 2 Total Points: 55
 - Team 3 Total Points: 60
- **School B Total:**
 - Team 1 Total Points: 50
 - Team 2 Total Points: 40
- **School C Total:**
 - Team 1 Total Points: 55

Outcome

- **School A** has the highest overall point total ($45 + 55 + 60 = 160$ points), so they win one floor curl set.
- Among the teams not from **School A:**
 - Team 1 from **School C** has the highest total points (55 points), so they win a floor curl set for their school.
