## WELCOME!

Welcome all athletes, coaches, officials, families and fans to the ASAA's 2017 Provincial Volleyball Championship! École des Beaux-Lacs is proud to be hosting this exciting event! A huge thanks to the countless volunteers who have been planning for this tournament and will continue to work hard throughout to ensure that it's a pleasant and memorable experience.

We appreciate the hard work and dedication required to reach this destination and look forward to celebrating this achievement with you. Regardless of the final results, every single athlete is already a winner. Enjoy this competitive experience while remembering that integrity and sportsmanship is what truly defines your character.

Enjoy the challenge of playing the best 1A teams in Alberta all while taking the time to build new friendships based on mutual respect. Good luck to all teams and have a great tournament!

Sincerely,

Margo Moyen  
Principal  
École des Beaux-Lacs

# Welcome

Every year, dozens of Alberta Schools' Athletic Association provincial championship banners are handed out to Alberta high schools, and thousands of medals to students and coaches. However, those banners only represent a fraction of the student athletes and coaches who dedicate their time and energies towards becoming the best they can be via their involvement in school sport.

I would like to extend a warm welcome to all students, coaches and spectators to the 63<sup>rd</sup> year of the ASAA coordinating high school provincials. From our sole sport of boys basketball in 1956, to 12 sports involving male and female athletes today, we have come a long way. We have many to acknowledge for this longevity and success.

First, I want to congratulate all of the student athletes in Alberta for their dedication to their school via their involvement in school sport. I especially congratulate those fortunate enough to have made it to this provincial championship; I hope this is a positive and truly memorable life experience for you. Second, I want to both acknowledge and thank those who coach our student athletes – teacher and non-teacher coaches alike. Because of you, Alberta's high school student athletes are given every opportunity to be successful in sport, in school and beyond; you are helping equip them with the tools to lead a successful life after leaving high school.

A sincere thank you goes out to your local organizing committee who have worked extremely hard under the guidance of ASAA staff to ensure that the experience for all involved is second to none. Specifically I wish to thank Troy Gratton from École Des Beaux Lacs for chairing this event, the local host committee and all volunteers for their involvement and support. I wish to acknowledge that this event is being hosted on Treaty 6 territory, traditional lands of First Nations and Métis people.

I also want to thank the ASAA's Platinum partners, Alberta Milk and SUBWAY, Gold partner Morgex Insurance, ASAA's funding partner Alberta Sport Connection and the Official Suppliers listed in this program. Their support of high school athletics in Alberta is greatly appreciated.

My final message is about ethical and sportsmanlike conduct. I encourage all involved in this event: coaches, athletes, spectators, volunteers, etc. to appreciate that this is an event being held in an educational context and involves youth mostly aged between 15 and 18 years of age. Sportsmanship and respect is a hallmark of ASAA Programs. Let's keep it that way.
